

CONSTRUCTION ASSOCIATION OF MICHIGAN AND THE CAMPRO HEALTHCARE PLAN

WHAT IS CAM?

The Construction Association of Michigan (CAM) is the leading association for construction professionals in Michigan, providing valuable resources, networking opportunities, industry advocacy, and educational programs. Since 1885, CAM has been dedicated to supporting businesses in the construction industry through collaboration, innovation, and leadership.

WHAT'S THE CONNECTION?

- CAMPRO was established in 2025 to serve the needs of CAM members by offering an alternative to traditional insurance plan.
- To participate in CAMPRO, a company must be an active member of CAM.
- Varipro operates independently but benefits from CAM's strong industry presence and member network.
- Both CAM and Varipro are committed to exceptional customer service and cost-effective solutions.

WHAT IS CAMPRO?

CAM has partnered with Varipro, a Taft-Hartley-owned third-party administrator, to create CAMPRO—an affordable, progressive healthcare plan designed for its members. CAMPRO offers six comprehensive level-funded medical plans and three level-funded prescription drug plans that combine the advantages of traditional fully insured plans with the cost-saving benefits of self-insurance.

WHY CHOOSE US?

By joining CAM, your company gains access to a vast network of industry professionals, exclusive resources, and educational opportunities.

With CAMPRO, you further protect your workforce while optimizing cost savings through an affordable, progressive healthcare plan designed for CAM members.
